

FIJI PAVILION SIDE EVENTS

6 – 17 NOVEMBER 2017
STAND B.02

6 November 2017 | Partnerships for Transformative Solutions

Fighting climate change through strong partnership globally, nationally and locally is vital for creating the steps for future change. Industry experts from corporations, youth organisations and financial panellists will share the partnerships they have formed and the successes, learnings and tools that they have achieved within their sectors.

TIME	EVENT
10.45 – 11.45	International Association for Advancement of Innovative Approaches to Global Challenges (IAAI) Building the Grand Coalition for Climate Action with Youth, Music & Resources
12.00 – 13.00	CORDAID / Partners for Resilience From Poverty to Prosperity: Taking Community Resilience to Scale through Policy Coherence and Integrated Risk Management to Close the Financing Gap
13.00 – 13.20	Fijian Cultural Activity
13.20 – 14.20	Climate Change Division, Ministry of Economy – Fiji in partnership with Global Green Growth Institute (GGGI) Launching Fiji's NDC Implementation Roadmap
14.30 – 15.00	FIJI PAVILION LAUNCH
15.45 – 16.45	The Organisation for Economic Co-operation and Development (OECD) 2018 Facilitative Dialogue: Identifying Options for Outputs and Outcomes and Key Questions for Modalities
17.00 – 18.00	Solar Head of State Pacific Islands Inspiring Leadership in Renewable Energy

7 November 2017 | Strengthening Adaptation and Resilience

Building and strengthening climate resilience is a matter urgency for vulnerable states. Events will showcase approaches and actions that strengthen resilience including social aspects.

TIME	EVENT
9.30 – 10.30	UN Climate Resilience Initiative (A2R) How can COP23 Help in Delivering Climate Resilience to the Most Vulnerable?
10.45 – 11.45	Pacific Island Development Forum (PIDF) Disappearing Islands
12.00 – 13.00	International Labour Organisation (ILO) The Pacific Voice for a Just Transition, Job Creation, and Climate Resilience
13.00 – 13.20	Fijian Cultural Activity
13.20 – 14.20	International Labour Organisation (ILO) CAPP WG on Decent Work and Just Transition
15.45 – 16.45	Council on Energy, Environment and Water (CEEW) De-risking Solar Investments

8 November 2017 | Youth in Climate Action

Youth will pave the way forward with innovative thought provoking solutions to fight for a safe climate for their generation and future generations. Dynamic panel discussions, video showcasing global reach, youth ambassadors take action.

TIME	EVENT
9.30 – 10.30	GIZ –Coping with Climate Change in the Pacific Island Region Pacific Voices in Unison
10.45 – 11.45	Global Youth Development Youth “Accelerating” Climate Action: The Critical Role of Action for Climate Empowerment (ACE) in Engaging Society in Transformative Change
12.00 – 13.00	French National Research Institute for Sustainable Development (IID) Pacific Youth Dialogue on Climate Change: Questions Live
13.00 – 13.20	Fijian Cultural Activity
13.20 – 14.20	SeaTrust Institute AWARE(SM) Pacific Islands Global Climate Ambassadors Launch and Discussion
14.30 – 15.30	Sustainable Development Commission, United Nations International Climate Action Policies
15.45 – 16.45	UNDP My Story: Young Fijians on the Front Line of Climate Change
17.00 – 18.00	Youth in Climate Action Open Mic Night

9 November 2017 | Sustainable Energy and Water

Showcasing integrated and innovative solutions and technologies for sustainable energy and strengthened water security in small island states.

TIME	EVENT
9.30 – 10.30	The Climate Technology Centre and Network (CTCN) Technology Matchmaking in Small Island States
10.45 – 11.45	Global Green Growth Institute (GGGI) – Responding to Climate Change Driving Climate Innovation in Developing Countries
12.00 – 13.00	The Special Case for Coastal Cities, Towns, Settlements and Islands – Blue Economies and Blue Urbanism
13.00 – 13.20	Fijian Cultural Activity
13.20 – 14.20	pS-Eau WASH Services and Climate Change: Towards Practical Action for Adaptation
14.30 – 15.30	French Water Partnership Small Islands States and Territories: Coping with the Impacts of Climate Change on Water
15.45 – 16.45	GIZ – NDC Partnerships Regional Approach for the Pacific NDC Hub
17.00 – 18.00	Loving Islands Talanoa: Sustainable Development Lessons Learned from the Grassroots

10 November 2017 | Resilient Ocean, Transport, Human Settlements

A series of events discussing various aspects relating to oceans and climate change including how oceans can contribute towards meeting Paris Agreement targets and how impacts of climate change, like sea-level rise, could forever change the landscape of small island states.

TIME	EVENT
9.30 – 10.30	United Nations Economic and Social Commission for Asia & Pacific Oceans and Climate Change – Impacts and Solutions in Asia-Pacific
10.45 – 11.45	GIZ, EU-PolarNet & ICE-ARC in Partnership HIGH-LEVEL - Arctic States and Small Island States: Two Regions Inextricably Linked through Climate Change
12.00 – 13.00	Green Cross France & Territories Islands and Seashore Resilience and Preparedness - Feedback, Insights and Proposal from Local-scale Multi-stakeholders Engagements
13.00 – 13.20	Fijian Cultural Activity
13.20 – 14.20	Oceans Pathway An Introduction on the Ocean Pathway which will seek to Establish the Role of Oceans and Climate Change in the UNFCCC Process by 2020 starting with the Fiji Presidency of COP23 and an Ocean Pathway Partnership
14.30 – 15.30	Global Maritime Technology Cooperation Centres (MTCCs) Network: Building Capacity for Climate Change Mitigation
15.45 – 16.45	GIZ Resilience Action in Asia-Pacific Cities: Fostering Capacity Development in Most Vulnerable Countries
17.00 – 18.00	Climate Change Division, Ministry of Economy – Fiji Launching the Climate Vulnerability Assessment for Fiji

11 November 2017 | Innovation in Forest and Industry

Events will explore approaches to attracting investment for clean technologies, the experiences of Small Island Developing States (SIDS) in accessing climate finance, barriers that can limit accessibility to funding, what adaptation responses are prioritised in SIDs and how we can build trusts in existing financial mechanisms.

TIME	EVENT
9.30 – 10.30	UNIDO/GEF Global Cleantech Innovation Programme (GCCIP and Climate-KIC) Innovation, Entrepreneurship and Investment for Climate Solutions
10.45 – 11.45	SEI-International Climate Finance in the Small Island Developing States
12.00 – 13.00	Global Island Partnership (GLISPA) Frontline Cities and Islands Talanoa Exchange
13.00 – 13.20	Fijian Cultural Activity
13.20 – 14.20	The International Bamboo and Rattan Organisation (INBAR) Bamboo for Climate Change Action in Small Island Developing States (SIDS)
14.30 – 15.30	GIZ Integrating Sustainable Forest Management and REDD+ in Fiji
15.45 – 16.45	Climate Market and Investment Association Building Trust in REDD+ to Scale Up Finance
17.00 – 18.00	Talanoa: Agreeing on an Ocean Pathway Partnership

12 November 2017 | Leveraging Loss & Damage

A sequence of events deliberating on the interconnectedness between climate risks, human mobility, adaptation and loss & damage on vulnerable communities, proposed financing on loss & damage through global fossil fuel levy to be paid into the proposed Fiji International Loss & Damage Fund and exploring the challenges of increasing resilience to climate change against a backdrop of extreme weather events.

TIME	EVENT
9.30 – 10.30	United Nations University & University of Hawaii Climate-Induced Migration & Displacement in the Pacific: Adaption or Loss and Damage?
10.45 – 11.45	International Institute for Applied Systems Analysis (IIASA) Where Next for 'Loss and Damage'? Working towards Solutions for Dealing with Risks 'Beyond Adaptation
12.00 – 13.00	Pacific Islands Forum Secretariat Regional Focus: FRDP and Local Actors towards Pacific Resilience
13.00 – 13.20	Fijian Cultural Activity
13.20 – 14.20	Climate Analytics Lessons from the Tropical Cyclones Frontline - Adaptation, Resilience and Loss and Damage
14.30 – 15.30	Rapa Nui Adaptation of Rapa Nui, Conservation Policies and General Sustainability Strategy
15.45 – 16.45	International National Trusts Organisation The Management of Heritage in the Face of Climate Change.

13 November 2017 | Driving forward Gender, Resilience and Innovation

A series of innovative approaches to enhance capacity of those vulnerable to adapt to climate change, more recognition on the voices of marginalised groups in society especially women, recognizing how data availability is important for informed decision making.

TIME	EVENT
9.30 – 10.30	Pacific Partnerships on Gender, Climate Change and Sustainable Development (PPGCCSD) Gender, Ecological and Climate Justice : Frontline Conversations with Pacific Women
10.45 – 11.45	UNDP HIGH-LEVEL - Fiji Government's Revolution in Climate Change Adaptation through Risk Informed Development
12.00 – 13.00	World Wildlife Foundation (WWF) –Pacific Sustaining Fiji's Great Sea Reef (GSR) – An Integrated Response-solution to Build Resilience of Fiji's Land, People and Oceans
13.00 – 13.20	Fijian Cultural Activity
13.20 – 14.20	International Association of Schools of Social Work The Social Dimensions of Climate Change Disasters: Gender, Marginalisation and Empowerment
14.30 – 15.30	World Resources Institute (WRI) Global Data to Drive Climate Resilience and Action: An Introduction to Climate Watch and the Partnership for Resilience and Preparedness (PREP)
15.45 – 16.45	International Alliance to Combat Ocean Acidification International Alliance to Combat Ocean Acidification: Protecting Coastal Communities and Livelihoods
17.00 – 18.00	The Bridge Forum Collaborative solutions for Storm Water Management
18.00 – 19.00	UNEP – United National Environment Programme and World Bank Group UN Environment/World Bank Group Launch of the Sustainable Finance Roadmap: Mainstreaming Climate Finance in the Financial Sector

14 November 2017 | Finance Solutions

A series of events discussing innovative funding approaches for adaptation, increasing the financial resilience of developing countries through mobilising private sector capital for adaptation at scale and providing enabling environment for NDC implementation

TIME	EVENT
9.30 – 10.30	Federation of Indian Chambers of Commerce and Industry (FICCI) Innovative Climate Financing for Adaptation and Resilience in Developing Countries
10.45 – 11.45	Climate Change Division, Ministry of Economy – Fiji Launching of Fiji's 5- and 20-Year National Development Plan
12.00 – 13.00	African, Caribbean and Pacific (ACP) Group of States Secretariat Launch of the Intra ACP GCCA+ Programme and Climate Support Facility (CSF): Resilience and Adaptation – A Caribbean Example
13.00 – 13.20	Fijian Cultural Activity
13.20 – 14.20	Carbon Pricing Leadership Coalition Tackling Maritime GHG Emissions: Linking Ocean States' Transport Needs, Leadership at the IMO and the Role of Carbon Pricing for Technology Change and Support for Developing Economies
14.30 – 15.30	Global Green Growth Institute's (GGGI) NDC Alliance Leadership in Achieving the Paris Agreement One Country at a Time - GGGI's NDC Alliance
16.00 – 16.45	Ministry of Economy – Australia Pacific Blue Carbon Financing Mechanism Pacific Blue Carbon Initiative: Promoting Coastal Blue Carbon Ecosystems at COP23
17.00 – 18.00	Food and Agriculture Organisation of UN (FAO) Risk-informed and Shock-responsive Social Protection

15 November 2017 | High Level Events

TIME	EVENT
9.30 – 10.30	HIGH-LEVEL – Pacific Climate Finance and Insurance Incubator Launch
10.45 – 11.45	Asian Development Bank (ADB) Fiji Legal Roadmap for Climate Finance and Investments
12.00 – 13.00	HIGH-LEVEL - Fiji's Green Bond
13.00 – 13.20	Fijian Cultural Showcase
13.20 – 14.20	The World Bank HIGH-LEVEL - Climate Resilient Transport in Small Island Developing States
15.00 – 18.30	HIGH-LEVEL - Precision Technology for Agriculture Development: Investing for The 'Triple-Win'

16 November 2017 | High Level Events

TIME	EVENT
10.00 – 11.30	HIGH-LEVEL - Future of our Oceans High Level Sustainable Transport
11.45 – 13.00	UN DESA/SIDS HIGH-LEVEL - Building Strong Linkages
13.00 – 13.20	Fijian Cultural Activity
13.20 – 14.20	Sustainable Energy for All Why Wait? Energizing Finance to Seize the Energy Access Dividend
14.30 – 15.30	Marine and Coastal Biodiversity Management and Pacific Island Countries (MACBIO) HIGH-LEVEL - The Importance of Holistic Ocean Governance In the Context Of The Ocean - Climate Nexus
15.45 – 18.00	HIGH-LEVEL - Launch of the Oceans Pathway Partnership

17 November 2017 | *Future of our Oceans*

Youth advocates will focus on ensuring Oceans capacity are enhanced to combat Climate change and enhancing the resilience of transport systems.

TIME	EVENT
9.30 – 10.30	Peace Boat Ecoship Global Talanoa for Climate Action
10.45 – 11.45	Climate Change Division, Ministry of Economy – Fiji HIGH-LEVEL - Launching of Fiji's National Adaptation Plan Framework
12.00 – 13.00	CIVICUS The People's Agenda - A Human Rights Based Approach to Climate Action
13.00 – 13.20	Fijian Cultural Activity
13.20 – 14.20	Permanent Mission of Palau to the UN Accelerating SIDS' Transition to a Renewable and Resilient Future
